Rejected: No Action: Interim Closed Out: C	Dhamas 272 5572	Type of Reclassific	ation Action:			
Interim Closed Out: On the Steek of Closed Out Sites will occur at a future date. Description of current waste site condition: This release current within the boundaries of the 218-W-2A buriel ground. Because it would be difficult to distinguish the release from the rest of the contaminated soil, it will be consolidated into the larger site, 218-W-2A. Basis for reclassification: This site is recognized as an unplanned release unit that may require cleanup action. Information regarding this release will be consolidated into the 218-W-2A site. Cleanup activities will be addressed during disposition of the larger site, 218-W-2A. SECURE Secures Secures Secures Secures Secure Secu	Priorie: 3/3-33/3	Rejected:	. • • .
